GM friends.....#JUST Want to Motivate :-

"To Change your Life , You have to change yourself . To change yourself, you have to Change your MINDSET

MINDSETS Like :-

1. REJECTED in one Company so i will not get job now.! ARE BHA! apart from this one company ..Lot of companies hiring job seeker parallel.....!

2. I don't have 60% so not getting job....! So if i say Just think you have 60% so you will get job for sure ? If your ans is YES then just do it.....and show me one offer letter.!

3. I Don't have good communication ..Just coz of of not getting job..!

So you don't have good communication right ? IF i ask you what is java and what is FACEBOOK.....then what will be your answer ?

haha 90% will ignore java n start talking about facebook like facebook is xyz n all where we are chatting ..making friendship

COOL.....i ll appreciate this ans.....BUT Just want to askU replied In english for facebook but not for java why ?you know why ?

because of you know what is facebook ...but you don't know what is java.....! #SO its Aashu Only Request ..

.Don't say i don't have good communication n all.....IF you know about question...IF you know about subject then YOU can explain easily.....common yar....You are btech guy not LKG.....Itna to kar skte ho.!! #Just do some home work for improving your communication ...!!

First of don't be frustrate while talking in English ..#Yar reject karega to kar dega...other companies hai yara aur b....but try to b confident in interviews .!

Interviewer are not any lion who's gonna eat you if you ll not answer! #They are just Normal human as like us who's having just IT Experience and expecting this guy can handle our work n almean to saywhile attending interviews just be confident guys try to give 100% ...don't thing you will select or reject !

Definitely you will select in some case if you ll just give 100% by own!

4. I don't have good face or I don't have good Body n all kind of waste reason..... Guy'sIf Interviewer Looks about face n body then TRUST me MAi YAHA nai hota.....#JUST TALENT Matter for cracking any kind of interview.....!

Interview never looks what u wear ..how you looks..OR you are girl or BOY.....#PLEASE.....might b 1% this kind of bullshit going on.....but 99% ALL IT COMPANIES LOOKS for TALENT.....!

#Also want to mention some Companies proving this 4th point wrong ..but not others !

#IF you have talent then You deserve for PERFECT JOB.....!

#JUST PLAY WITH TALENT..... Try to search job with patience guys ..!

everyone knows n number of Job seekers present in Bang ..but among of N number of Many job seeker's are professional job seeker's who know's where they are lacking where i need to improve..for what all reason m not getting select ...these many are frequently Improving daily basis !

#Friends.....Don't frustrate ...Don't irritate yourself .! #JO bhi karna hai
